MAS Journal of Applied Sciences, published by Institute of Economic Development and Social Research, applies a [Creative Commons Atif-GayriTicari 4.0 Uluslararası \(CC BY-NC 4.0\)](#) to the articles and other works we publish.

Therefore, on behalf of all authors of this submitted manuscript, as the corresponding author, I warrant the following states;

a) By agreeing to waive the copyright of the authors, they must transfer the copyright of the load to the MAS Journal of Applied Sciences along with the submission for evaluation. However, by submitting their work for publication in MAS Journal of Applied Sciences, the authors agree to the application of the [CC BY-NC 4.0](#) license to their work.

b) The journal allows users to copy, to create extracts, abstracts and new works from the article, to alter and revise the Article, and to make non-commercial use of the Article, provided the user gives appropriate credit (with a link to the formal publication through the relevant DOI), provides a link to the license, indicates if changes were made and the licensor is not represented as endorsing the use made of the work.

c) In addition, when submitting your article for publication in MAS Journal of Applied Sciences, the authors allow minor editorial changes to fit the journal format, to print the article in the ISPEC Journal of Agricultural Sciences (E-ISSN: 2717-7238), to send it for indexing, to make the full text of the article available online through MAS Journal of Applied Sciences and Journal websites, and to promote the article.

d) If information or content from other copyrighted works is included (e.g. photos, images, figures, tables, proprietary protocols, code, etc.), the author(s) must a) obtain written permission from the copyright owners to use it and publish it under the [CC BY-NC 4.0](#) licence, and b) credit the source(s) in the article.

e) If the author does not have owner permission, the material should not be included in the submitted paper or it can be replaced with other content owned by the author or which they have permission to use. All MAS Journal of Applied Sciences authors are responsible to ascertain what rights they have to use the contents they include in their manuscript.

f) The MAS Journal of Applied Sciences reserves the right to remove any content from any article, whether before or after publication if concerns are raised about copyright, license, or permissions and the authors are unable to provide documentation confirming that appropriate permissions were obtained for publication of the content in question under a [CC BY-NC 4.0](#) license.

Repositories

Authors are allowed to deposit their articles in an institutional or other repository. However, if the repository has stated licensing policies, the policies should not be more restrictive than the Creative Commons Attribution 4.0 International License ([CC BY-NC 4.0](#)).
